**Research Title and  
Field  
Article (Abstract)**

**Original  
Research,  
A01**

**Effect of  
dietary  
calcium  
level on  
egg  
production  
and  
eggshell  
quality in  
broiler  
breeder  
hens from  
36 to 60  
weeks of  
age**

Effect of  
breed, sex  
and source  
within  
breed on  
the  
haematolog  
ical  
parameters  
of the  
Nigerian  
goats

Original  
Research,  
A02

Effect of  
dietary  
corn silage  
replacemen  
t with  
sorghum  
silage on  
performanc  
e and feed  
cost of  
growing  
steers

Original   
Research,  
A03

Original  
Research,  
A04

Effect of  
weaner  
body  
weight on  
growth  
traits of  
rabbits

Influence  
of dietary  
calcium  
levels on  
bone  
developm  
ent in  
broiler  
breeder  
pullets up  
to 18  
weeks of  
age

Original  
Research,  
A05
